Involving yourself in activities that are meaningful and important?*

If you answered yes to any of these questions, then please consider volunteering. We need you!

Membership: This will be a standing committee for 2017 that will work to enhance the Board-Affiliate relationships, advise the Board about Affiliate interests and act as a conduit for recruitment of new Members and Affiliate partners.

Education Committee: This committee will develop educational seminars, including those for license re-certification.

Government Affairs & RPAC: Plan, coordinate and mobilize fundraising efforts to raise RPAC contributions. Mobilize support for critical issues affecting the real estate industry and private property rights. Monitor local town meetings (zoning, planning, City Council) and advises the Association of local issues which impact the real estate industry. May serve as a liaison to the Statewide REALTOR® Association Government Affairs Group. Educate and encourage members to support all REALTOR® Call to Actions.

Grievance* This committee conducts preliminary review and screening of Ethics complaints and Arbitration requests by acting as a "Grand Jury". Mandatory attendance required at annual training session is a requirement for serving. Service on this committee forms a foundation for prospective future volunteer opportunities on our Professional Standards Committee. Members of this Committee must be REALTORS® in good standing with the Association and Division of Licensure, must have a minimum of 3 years' experience and must be knowledgeable regarding the REALTOR® Code of Ethics. Limited spots available.

Professional Standards* Members of this committee may be selected to serve as panelists on Ethics Hearings on alleged violations of the Code of Ethics and discipline members who violate the Code. They may also serve as panelists at Arbitration Hearings on disputes among REALTOR® members concerning commission and fees. Grievance Committee experience is **required**. Mandatory attendance required at annual training session is also a requirement for serving. Members of this Committee must be REALTORS® in good standing with the Association and Division of Licensure, must have a minimum of 3 years' experience, must be knowledgeable regarding the REALTOR® Code of Ethics and must have previously served on the Grievance Committee. Limited spots available.

Task Forces: A task force consists of a small group of members who are appointed by the President to plan and execute a short-term project (less than one year). An example would be our 2016 Charitable Works Task Force that helped coordinate a Spring Cleanup and then a small fundraiser for our 2016 Charity (the Providence Boys & Girls Clubs).
